

DAVID & CAROLYN STEPHENSON

WITH NATHAN, CHLOE AND ABBEY

Dave and Carrie are the directors of the YWAM base in Newcastle. Dave is also a national elder of YWAM Australia. They run at least 6 Discipleship

Training Schools a year and send out over 100 short-term missionaries every year. YWAM Newcastle pioneered Youth Street, a community development project reaching out to young people and their families.

SHORT TERM MISSION OPPORTUNITIES

From time to time members of our congregation have set off on short-term mission trips—from two weeks to twelve months.

GARY & EWA McMASTER

WITH TOMMY, KALINA AND
MARLENA

Gary and Ewa work with SEND International in Opole, Poland as part of a church planting ministry. Since 2005, they've been

working with one particular church, which involves running kids' ministry, a Bible study group and a faith discussion forum. A vast majority of people in Opole attend traditional Catholic churches. In mid-June they plan to return to Australia for two and a half months.

He oversees the Kayleshlie Village, consisting of multiple homes for AIDS orphans under 16 years old. Funds are required for work on another house. They have their own kinder-garten, and are about to set up their own school. Food-wise they are largely self-sufficient.

BRENT AND GLENDA ALLRED

Brent and Glenda are missionaries with Pioneers of Australia. Pioneers facilitate cross-cultural church planting activity. Brent is team leader of Member Development, providing pastoral care to Aussie workers, resourcing and encouraging them in their ministry and personal life. He also cares for Aussie workers based overseas. Glenda serves in the Finance Team, looking after the financial affairs of Pioneers' workers and managing donor income.

TRISH SONSIE WITH JOHN, JOSIAH AND NATASHA

Trish works for Operation Mobilisation (OM) in Box Hill as Head Bookkeeper in the Finance Department. She deals with queries from missionaries and overseas OM bookkeepers in matters regarding Australian staff. She also trains new recruits in handling finance issues and builds relationships with OM missionaries, and those considering joining the mission.

JOHN AND JENNY WILLETTS WITH DANIEL AND PETER

John and Jenny are missionaries with Wycliffe Bible Translators. John is an aircraft engineer, seconded to work at the Australian Centre for Mission Aviation (ACMA), where pilots and engineers are trained to serve in mission aviation jobs around the world. UNOH URBAN NEIGHBOURS OF HOPE

We have close ties with UNOH in Klong Toey, Bangkok's largest slum, supporting the work of Ash & Anji Barker. Several of our congregation have visited Klong Toey including Ashleigh Newnham & Amy Nettelbeck who worked there during 2010. Ashleigh continues to work with UNOH in Dandenong.
